## Continuing Education

### Enhanced RN Exam Preparation

Designed specifically for individuals who have made at least one attempt on the CRNE, this Enhanced RN Examination Preparation will assess the results of your CRNE to develop an individual learning and study plans. Self-directed interactive online case studies with faculty support, CRNE online preparation exam and 5 group tutorial sessions focused on critical thinking techniques are included.

Key topics include strategies to approach critical thinking questions, review nursing content and practice testing taking skills online prior to attending interactive tutorial sessions.

**You must bring your CRNE exam results and a calculator to the first session.**
