

Job Title: Registered Nurse, Medicine Program (various departments)

Employment Type: Part Time, permanent

Salary Range: \$33.90 to \$47.69 per hour, 25 year rate \$48.53

The RN works within a changing environment and in inter-professional teams to advocate for and promote wellness while ensuring the delivery of safe, effective and ethical nursing care. The RN shares his/her knowledge and expertise with others and contributes to the advancement of nursing practice excellence. The RN continually enhances his/her practice and competencies through ongoing learning, education, experience and reflective practice. The primary role of the RN is to provide holistic, evidence-based, culturally appropriate, patient-centred quality care in accordance with the College of Nurses of Ontario standards and Unity Health's mission, vision, values and policies.

RESPONSIBILITIES: The RN optimizes the patient's experience and care outcomes by:

- Being accountable for one's decisions and professional practice;
- Establishing a therapeutic relationship with the patient;
- Collaborating with other members of the patient's care team; and,
- Coordinating and communicating patient care activities.

The RN has 4 key areas of responsibility:

Patient Care:

- Acquires information to assess patient care and learning needs
- Develops a plan of care and integrates nursing activities with other inter-professional activities
- Engages in critical inquiry and reflection to select evidence-based interventions
- Organizes nursing care and assigns or changes nursing care activities where appropriate
- Evaluates the effectiveness of the plan of care and adjusts the plan as needed
- Anticipates, recognizes and addresses rapidly changing situations
- Provides health education to patients and their families using effective teaching strategies
- Documents observations, assessments and care provision
- Contributes to discharge and transition planning
- Refers patient to other agencies or services as needed

Collaboration & Coordination

- Serves as the primary resource for organizing and coordinating patient care activities
- Establishes and maintains respectful, collaborative, therapeutic and inter-professional relationships
- Coordinates and communicates patient care activities for a safe and seamless transition and appropriate transfer of accountability
- Participates in hospital committees and other groups

Leadership

- Aligns behavior with Unity Health's vision, mission and values and Code of Conduct
- Supports the advancement of professional practice
- Utilizes effective judgment in assigning patient care activities
- Engages in self-reflection, performance review and ongoing learning
- Participates in mentoring, teaching and /or coaching students, co-workers and other regulated and unregulated health professionals
- Embraces change that leads to improved nursing practice and better patient outcomes
- Advocates for a safe and healthy work environment

Research

- Participates in or supports research projects
- Supports and participates in evidence based practice implementation and quality improvement initiatives

Qualifications:

- Currently registered with the College of Nurses of Ontario.
- Current BLS/CPR certificate required.
- Coronary Care I or equivalent required (or willingness to complete within 6 months of hire).
- Coronary Care II or equivalent required (or willingness to complete within 6 months of hire).
- One year recent clinical experience with cardiac and respiratory patients, and with telemetry, preferred.
- Demonstrated understanding and champion of patient and family centred care.
- Demonstrated commitment to ongoing professional development and learning.
- Strong evidence of interprofessional collaboration approach to patient care.
- Excellent communication and interpersonal skills and the ability to function as a team player.
- Critical thinking/problem solving skills.
- Strong patient teaching skills.
- Satisfactory attendance record.

As a condition of employment, all external hires will be required to submit proof of COVID-19 vaccination or documentation unless a valid accommodation under the Ontario Human Rights Code exists.
