Career Fair Debrief:

- MUNSS had great success with the Career Fair
- Platform will be open for 30 days after the event
- Conflict with the L4 PBL Conestoga

MUNSS Week Debrief:

- Paint Night → sign-up may be unnecessary, encouraged for next year!

- Had sign-up to ensure we did not exceed the maximum capacity of the room, however, we were not even close to the max capacity
- CNSA Chapter Meeting → not much engagement, feedback form is still open and will be covered at a later date
- ASL Workshop → highly enjoyed, encouraged for next year!
 - Informative event
 - More promotion → Was done a bit last minute
 - Maximum of 12 participants
 - Maybe not do it during MUNSS Week
- Movie Night → only one attendee, ten people signed up
 - Still an enjoyable event
 - Maybe not effective to redo this event next time
 - Virtual platform may have limited engagement from screen burnout
- Bingo → Low engagement, personalization was fun!
 - 15 sign-ups but only 6 people attended
 - Emails regarding the location were sent to the junk box
- Karaoke Night → good turnout, enjoyed snacks, encouraged for next year!
 - Projector and AV equipment did not work, technical support was not provided although they said it would be
 - Did Just Dance too
 - More promotion for higher turnout- mostly dropins not signins
 - Karaoke Night at the Phoenix might be more fun
- RAO Q+A → No speaker for feedback on this event
- Starbucks coffee → good engagement
 - Difficulty with gift card technicalities → need to add student's credit card in order to access funds
 - Left over funds left in that starbucks account
 - Maybe will rehost this event to use some of the left-over funds
- Giveaways → difficulty with participation
 - Difficulty with giveaway rules, may need to make it easier for engagement
 - Prizes were "unappealing" or the font in graphics "not good" → increase this for appealing and exciting prizes

General Feedback

- More promotion for MUNSS week
- More collaborative events with various faculties on campus (to improve turnout and increase our interfaculty relations)
- MUNSS week planning: if possible, look into what assignments/midterms are occurring (in all years) during MUNSS week to avoid possible scheduling conflicts and burn out

- Second year midterms and papers ran around the time of MUNSS week so they had difficulty making time to join
- Same with Accelerated
- End of March may be a better time
- Future event: Nursing x Engineering bowling night!

Transition Reports:

- Transition reports should be uploaded to Microsoft Teams>General>Files>MUNSS Resources
- **DUE MARCH 27, 2022 @2359** (11:59pm)
- Share any collaborative drives/folders for your MUNSS position with Callista or Jhanvi

Accelerated Representatives Proposal:

- Love My Neighbour in partnership with UNICEF - increasing vaccine distribution in low and middle-income countries
- Looking for ideas to support/fundraise for this initiative
